Esperienze professionali

Medico in formazione specialistica in Medicina Interna presso Università degli Studi di VERONA “Medicina Generale e dell’Ipertensione”, Borgo Roma (Vr)

Università degli Studi di VERONA, ospedale Borgo Roma,“Medicina Generale e dell’Ipertensione”, Piazzale L.A.Scuro, 37134, Vr

10/12/2014 - 19/11/2019

turni di guardia interdivisionale diurna e notturna -attività ambulatoriale nell’ambito dell’ipertensione arteriosa, scompenso cardiaco, epatologia, ecodoppler TSA. -A Luglio 2017 partecipazione come Sub investigator nello studio clinico CLE-16257-107'Studio sull'utilizzazione del farmaco ivabradina in paesi europei: studio internazionale, retrospettivo, osservazionale per la valutazione dell'efficacia delle misure di minimizzazione del rischio.

Istruzione e formazione

Master

Master I livello di ecocardiografia di base ed avanzata , Prof Tona, Università degli Studi di Padova 2026

12/12/2025 - 07/09/2026

Ecocardiografia di base ed avanzata

Laurea Specialistica in Medicina e Chirurgia

Università degli Studi di Padova

01/10/2007 - 11/10/2013

Classe delle lauree specialistiche in medicina e chirurgia Titolo della tesi: Graft di matrice extracellulare per la chirurgia ricostruttiva cardiaca e vascolare. Pediatria

Docenza e attività scientifiche

Investigator per lo STUDIO MASTER .MASked-unconTrolled hypERtension management based on office BP or on out-of-office (ambulatory) BP measurement (MASTER Study) Principal Investigator: Dr Alberto Mazza Coordinamento: Centro Auxologico di Milano.

01/01/2021 - 31/12/2025

Pubblicazioni

UNMASKING PURE AUTONOMIC FAILURE: A RARE CASE OF PROGRESSIVE AUTONOMIC DYSFUNCTION Rivista: Italian Journal of Medicine, 2026

2026

Posterior Reversible Leukoencephalopathy Syndrome During Hypertensive Crisis in Obstructive Sleep Apnea Syndrome: Searching for a Link Articolo su High Blood Pressure and cardiovascular prevention

2025

RENAL DENERVATION WITH CO2 TECHNOLOGY IN A PATIENT WITH CHRONIC RENAL FAILURE, RENAL ARTERY STENOSIS AND ALLERGY TO IODINATED CONTRAST MEDIUM: FROM THEORY TO PRACTICE Rivista: High Blood Pressure and cardiovascular prevention

2025

PHEOCHROMOCYTOMA: HOW MANAGEMENT IN CLINICAL PRACTICE? High Blood Pressure and cardiovascular prevention

2025

Hypotension and blood pressure fluctuations in pheochromocytoma: how management in clinical practice? Rivista:Italian Journal of Medicine, 2025

2025

Posterior reversibile leukoencephalopathy syndrome and hypertensive crisis due to obstructive sleep apnea:searching for a link Italian Journal of Medicin

2024

Un caso inaspettato di coagulazione intravascolare disseminata: un ruolo per il rilascio di fattore tissutale durante l'angioplastica coronarica percutanea transluminale? Italian Journal of Medicin

2024

Un pericoloso mal di gola: la sindrome di Lemierre Italian Journal of Medicin

2024

Impact on global cardiovascular risk of early use of anti-hypertensive and lipid-lowering therapy in fixed-combination: practical implications of the guidelines recommendations Journal of Hypertension

2024

Residual cardiovascular risk rises with obesity in individuals receiving pharmacological treatment for hypertension and dyslipidemia: a prospective study in primary prevention Obesity Facts 2024

2024

Posterior reversibile leukoencephalopathy syndrome and hypertensive crisis due to obstructive sleep apnea:searching for a link Journal of Hypertension

2024

Acute pulmonary edema and hypertensive crisis in a patient with bilateral renal artery stenosis: how to proceed? Rivista: High blood pressure and cardiovascular prevention

2024

Posterior reversible leukoencephalopathy syndrome and hypertensive crisis due to obstructive sleep apnea: searching for a link. Rivista:High blood pressure and cardiovascular prevention

2024

Real word efficacy of bempedoic acid in primary and secondary cardiovascular prevention in dislipidemic and hypertensive patients. Rivista:High blood pressure and cardiovascular prevention

2024

mpact on global cardiovascular risk of early use of anti-hypertensive and lipidlowering therapy in fixed-combination: practical implications of the guidelines recommendations . Rivista: High blood pressure and cardiovascular prevention

2024

Uno strano caso di disartria: quando radiologia e clinica non combaciano Italian Journal of Medicine

2023

Does Renal Denervation a Reasonable Treatment Option in HemodialysisDependent Patient with Resistant Hypertension? A Narrative Review Current hypertension reports

2023

Diagnosis and treatment of primary aldosteronism: experience of esh excellence hypertension center of Rovigo High Blood pressure and cardiovascular prevention

2023

When hypertension is resistant we think it over! Journal of hypertension

2023

Diarrea ed ipokaliemia associate ad insufficienza renale acuta e grave acidosi metabolica dopo chirurgia ortopedica: quali ipotesi diagnostiche? Italian Journal of Medicine

2023

Catastrophic antiphospholipid syndrome: a challenging clinical practice Italian Journal of Medicin

2023

Diagnosis of primary hyperaldosteronism: what to do when adrenal venous sampling does not give lateralization? Italian Journal of Medicine

2023

Emofilia acquisita A con inibitore ad alto titolo: la gestione in un reparto internistico dalla diagnosi alla terapia. Rivista: Italian Journal of Medicine 2022

2022

Calo del visus atipico; mai fermarsi al primo sguardo! Italian Journal of Medicine

2022

THE ASSESSMENT OF THE GLOBAL CARDIOVASCULAR RISK IN A HYPERTENSION CENTER: A PROSPECTIVE MANAGEMENT MODEL OF RISK AND POSSIBLE REPERCUSSIONS ON THE REGIONAL HEALTH SYSTEM Rivista: High blood pressure and cardiovascular prevention

2021

THE ROLE OF TELEMEDICINE IN HYPERTENSION MANAGEMENT DURING SARS-COV-2 PANDEMIC: A PILOT STUDY IN A HYPERTENSION CENTRE Rivista: High blood pressure and cardiovascular prevention

2021

Permanent pacemaker implantation following severe electrolytes disturbances during lenalidomide treatment in hypertensive patient with multiple myeloma Rivista: High blood pressure and cardiovascular prevention

2021

Mitral valve replacement for noninfective endocarditis in a young hypertensive subject with moyamoya syndrome: searching for a link Rivista: High blood pressure and cardiovascular prevention

2021

Impianto di pacemaker permanente in paziente iperteso con severa disionia in corso di trattamento con lenalidomide per mieloma multiplo. Rivista: Italian Journal of Medicine

2021

Il ruolo della telemedicina nella gestione dell'ipertensione durante la pandemia SARS-CoV-2: studio pilota in un centro dell'ipertensione Italian Journal of Medicine

2021

Beneficial effects of DAAs on cardiac function and structure in hepatitis C patients with low-moderate liver fibrosis Rivista: Journal of viral hepatitis

2020

SOGGETTO IPERTESO CON DISFUNZIONE MULTI-ORGANO DURANTE INFEZIONE DA SARS-CORONAVIRUS-2: QUALE RELAZIONE? Rivista: High blood pressure and cardiovascular prevention

2020

RUOLO DI SACUBITRIL VALSARTAN NELLA TERAPIA DELLO SCOMPENSO CARDIACO CRONICO A RIDOTTA FRAZIONE DI EIEZIONE IN PAZIENTI IPERTESI CON COMORBIDITA': DAI TRIALS CLINICI AL MONDO REALE Rivista: High blood pressure and cardiovascular prevention

2020

EFFICACIA E SICUREZZA DI COMPOSTI NUTRACEUTICI IN SOGGETTI IPER-COLESTEROLEMICI CON MODERATO-ALTO RISCHIO CARDIOVASCOLARE INTOLLERANTI A STATINE Rivista: High blood pressure and cardiovascular prevention

2020

The role of sacubitril/valsartan in the treatment of chronic heart failure with reduced ejection fraction in hypertensive patients with comorbidities: From clinical trials to real-world settings Rivista: Biomedicine & Pharmacotherapy

2020

Effectiveness and safety of a new generation of nutraceutical compounds on lipid profile and serum glycaemia in subjects with high -normal blood pressure level. Rivista: Journal of Hypertension

2020

Resistant hypertension in mood disorders and hypokalaemia: searching for a link Rivista: High blood pressure and cardiovascular prevention

2019

Cost effectiveness of Rosuvastatin/Ezetimibe theraphy in high risck hypertensive patients with uncontrolled hypercolesterolemia by a previous Simvastatin/Ezetimibe treatment Rivista: Journal of hypertension

2019

Cost -effectivenes of Rosuvastatina-Ezetimibe in fixed dose combination in hypertensive patients with uncontrolled hypercholesterolemia compared to previous simvastatina/ezetimibe treatment. Rivista: Italian Journal of Medicine

2019

Effects of daas on cardiac function and structure in hepatitis c patients with low-mild liver fibrosis Rivista: Digestive and liver Disease

2019

Un esordio atipico del Morbo di Graves Rivista: Italian Journal of Medicine

2019

Effectiveness and safety of novel nutraceutical formulation added to Ezetimibe, in statin intolerant, hypercolesterolemic subjects with moderate to high cardiovascular risk Rivista: Journal of Medical Food

2019

Alimentazione e Longevità Rivista: Italian Journal of Medicine 2019, volume 7.

2019

Long-term effect of theperindopril/indapamide/amlodipine single-pill combination on left ventricular hypertrophy in outpatient hypertensivesubjects Rivista: Biomedicine and Pharmacotheraphy

2019

The effects of a new-generation of nutraceutical compounds on lipid profile and glycaemia in subjects with high normal blood pressure Rivista: High blood pressure and cardiovascular prevention

2019

Cost-effectiveness of Rosuvastatin/Ezetimibe in fixed-dose combination in high-risk hypertensive patients with uncontrolled hypercholesterolemia compared to a previous Simvastatin/ Ezetimibe treatment Rivista: High blood pressure and cardiovascular prevention

2019

Effetto dei composti nutraceutici sul profilo pressorio e lipidico in soggetti ipertesi ed ipercolesterolemici con sindrome metabolica Rivista: High blood pressure and cardiovascular Prevention

2018

How to choose appropriate direct oral anticoagulant for the internist patient with non valvular atrial fibrillation

2018

Cyclic Cushing's syndrome: a clinical challenge Rivista: Italian Journal of Medicine

2018

Hypertensive crisis with neurological impairment mimicking a Guillan -Barre' syndrome: searching for a link. Rivista: High blood pressure and cardiovascular prevention

2018

Effect of Monocolin K and COQ10 supplementation in hypertensive and hypercholesterolemic subjects with metabolic syndrome. Rivista: Biomedicine & Pharmacotherapy

2018

The short-term supplementation of monacolin k improves lipid and metabolic pattern of hypertensive and hypercholesterolemic subjects at low cardiovascular risk Rivista: Food and function

2018

The wrong or 'right' effects of HCV on cardiac function in patients with low-mild liver fibrosis: A case-control study Rivista: Journal of hepatology

2018

I risultati del trial PARADIGM-HF sono applicabili anche agli ipertesi anziani comorbidi con scompenso cardiaco cronico a ridotta frazione d'eiezione del ventricolo sinistro. Rivista: High blood pressure and cardiovascular Prevention

2018

Effetti del virus dell'epatite C (HCV)sulla funzione cardiaca nei pazienti con fibrosi epatica di grado F0-F2 Rivista: High blood pressure and cardiovascular Prevention

2018

Hypokaliemic paralysis mimicking Guillan Barre syndrome and causing hypertensive crisis: searching for a link Rivista: Italian Journal of Medicine

2018

Renal hyperfiltration in hypertensive subjects with normal serum creatinine: overstimation of the real glomerular filtration rate or indicator of sub-clinical renal damage. Rivista: Journal of hypertension

2014
